- Unique logins for all the Students

- Assignments can be downloaded by the Students to be solved as Home Work

- All Announcement / Notices / News / Events / Contacts can be downloaded by Students

- Examination & Daily Classes Time Table Viewer.

- View Report Cards

Teachers Interface

- Unique logins for all the Teachers

- Assignments can be uploaded for the students to be solved as Home Work

- All Announcements / Notices / News / Events / Contacts can be uploaded for reference of Students and Parents.

- Examination & Daily Classes Time Table Builder.

- Upload Examwise Timetable and Report Cards

eSchooL³ᶜ
Connect Communicate Control
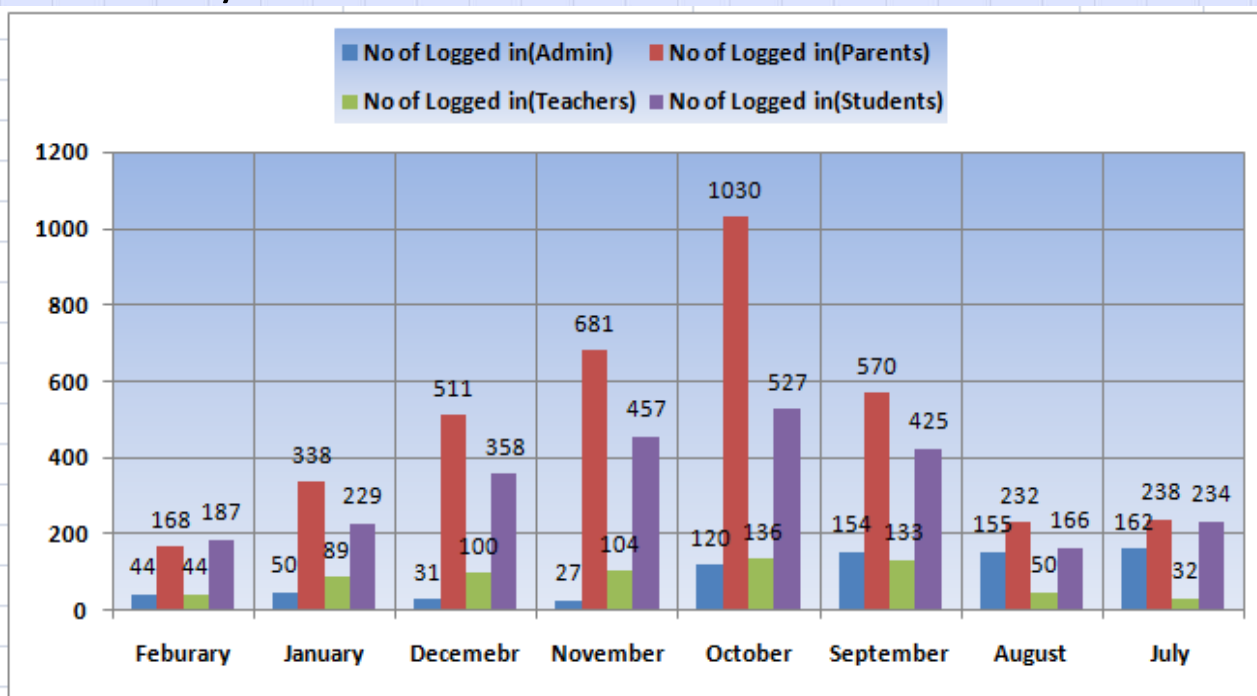

ADVANTAGES TO THE SCHOOL

- **Enhanced** Communication Channel.

- Manages **structured students** and their **parent's database** with complete information.

- Configure Students database easily with transfer to the **next grade facility** each year.

- **Track your children's** academic performance, download assignments, interact with management, teachers through online portal, emails & get sms alerts.

- Affordable, Dynamic Website Solutions — Your School's Most **Valuable Marketing Tool**.

- It creates better **understanding** and **co-operation** between teachers and parents.

OUTCOME FOR THE SCHOOL

- **Empower** your employees, engage parents, teachers and students.

- Allows changes and **updates anytime, anywhere** using School Site's easy-to-use- online Content Management System (CMS).

- **Reduce manual work** involved in Administrative and Academic Activities.

- Increases organizational **transparency** through **accurate** and **faster** access to data for timely decisions.

- Efficiency of **teaching** and **non teaching** staff can be improved.

BIRLA SCHOOL – CASE STUDY

Academic year 2012-2013

Future Scope and Expandability

- **Expandable** to other modules

- **Admission** Process Management

- **Bus Route** Tracking – Transportation Management

- Online **Payment** facility

Very soon the product is slated to come up with further innovations and upgrades like attendance tracking, online admission process, online payment facility, etc.
